Deafness Cannot be Cured By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be lost. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can be cured by Hall's Catarrh Cure. Send for circulars, free.

A Glen Ridge Home Wedding.

On Tuesday evening there was a large gathering of friends of Mr. and Mrs. J. Frank Place at their residence, Chestnut Hill, to witness the marriage of their daughter Laura to Julio G. Galsden, also of Glen Ridge. The floral decoration of the house was by Raasbach, and the subdued foliage tints formed a suitable background for the daintily shaded lights which carried out the combination of pink and green which was the color scheme of the wedding. Palms, garlands of smilax and pinks, were used with good effect throughout the house. Mr. and Mrs. Place, Mrs. I. DeGress, Mrs. Berry and Mr. and Mrs. Alfred Merrill received the guests.

The piano with stringed instrument accompaniment and cornet furnished the music. At half past six the strains of Lohengrin announced the approach of the bridal party. The groom, in company with his best man, Clarence Place, entered and joined the clergyman, Dr. Anny J. Bradford, followed by the ushers. Proceeding the bride wore Miss DeGress and Miss Elizabeth DeGress, and the maid of honor, Miss Eva DeGress. The bride entered on the arm of her father. The service was that of the Episcopal Church. The bride wore an empire gown of white satin trimmed with point lace and a tulle veil; she carried lilies of the valley. The maid of honor was in pink china with trimmed with gold embroidery and carried pink carnations. The bridesmaids also wore empire gowns of white silk with gold embroidery and carried ferns tied with pale green ribbons. The ushers were Messrs. A. P. Merrill and W. Berry, both of New England, G. Lee Stout, Jr., N. H. Dall, Jr., Dr. Preston and Wm. Berrian.

After the ceremony congratulations were tendered and received. The wedding supper followed. The old fashioned custom of cutting the bride's cake containing a ring was observed and was productive of considerable merriment among the young people. Mr. and Mrs. Galsden started soon after their wedding trip, which is southward. A beautiful collection of gifts were received, comprising cut glass, silver, china and bric a brac. The newly married couple will reside at Chestnut Hill on their return.

Another Court Decision.

Close upon the decisions of the Supreme Court last week, sustaining the position of Glen Ridge Borough as a municipality separate and distinct from Bloomfield Township, comes another, from the Court of Chancery. On Tuesday Vice-Chancellor Reed filed his opinion, declining to grant the injunction to restrain the Borough of Glen Ridge from making use of the sewers built under Bloomfield Township authority, prior to the creation of the Borough. The reason given by the Vice-Chancellor for refusing the injunction is that Glen Ridge Borough Council, having passed an ordinance assuming possession of the sewers in the Borough streets, their action is reviewable by the Supreme Court under a writ of certiorari.
